

Diwali Stony Brook Sponsor Form

Requesting your support for “Diwali Stony Brook-2016” Function

The Diwali Stony Brook Cultural program is in the planning stages once again for a memorable event! This is the 9th year for this event where the children take the center stage to display their wonderful culture.

The event is attended by a very large local community, and this event includes entertainment, networking and food. The number of people attending Diwali Stony Brook has consistently increased with last year’s attendance at over 500 guests and over 140 children participating!

What started as a small gathering a few years ago now has blossomed into an event everyone is eagerly waiting for. This function apart from celebrating our children’s talent will also give us a venue to celebrate our culture and heritage and socially network, at least for a day in our busy lives. What better way to encourage our children to keep their culture strong?

We sincerely request you to [be a sponsor for this program](#). No amount is too small. Your contribution will help in making this program a grand success. **Please join hands with the organizing committee to promote our culture and heritage and encourage our children to showcase their talents in this event.** All sponsors will be recognized (anonymous/recognized - your choice) on the website www.diwalistonybrook.com , in the program guide, and in follow-up emails.

Thank for all the support. If any more information is required, do not hesitate to contact us.
